## DISCLAIMER AND LIMITATION OF LIABILITY

*Any person making use of and/or relying on the rating report and all information contained therein hereby acknowledges that he has read this Disclaimer and Limitation of Liabilities and has understood it and agrees to be bound by it in its entirety. Affixing your signature below is a pre-condition for reading or otherwise using this report in part or in whole.*

ACRSL generates and publishes credit rating report(s) (hereafter the "rating(s)") as an independent OPINION as to the creditworthiness of an entity or obligor or corporate or financial instrument or bank loan or facility or project finance or otherwise, in general or with regard to a specific financial obligation. ACRSL's ratings are statements of OPINION regarding credit (or repayment) risk as of the date they are expressed and are NOT statements of fact. The opinion is based on established criteria and methodologies that ACRSL continuously evaluates and updates. Ratings are inherently forward-looking and embody assumption and predictions about future events that by their nature cannot be verified as facts. Despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating is issued or affirmed. Ratings are the collective work and product of ACRSL and no individual, or group of individuals, is solely responsible for a rating; individuals are named for contact purposes only.

The rating does not address the risk of loss due to risks other than credit risk, unless such risk is categorically and specifically mentioned. A rating report providing a rating is neither a prospectus nor a substitute for the information assembled, verified and presented to investors by the issuer or a business entity and its agents in connection with the offer or sale of the securities or otherwise any other financial facilities including any term loan, working capital loan, project loan, SOD Facilities, guarantee, debenture or any other form of lending and facilities, and is in no way an absolute measure of risk, and should be read in conjunction with the due diligence or otherwise any other risk evaluation. The rating should not solely be relied on and is not a substitute for the skill, judgment and experience of the user, its management, employee(s), advisor(s) and/or client(s) when making investment and other business decisions. The rating is not an investment advice or recommendation to grant financial facilities, lend, grant credit facilities, buy, sell, or hold stocks or shares, bonds, debentures in any entity or any particular security and no investment or any other decision should be made solely on the basis of a credit rating. Rather, HAMS Garments Limited, The Premier Bank PLC. and any other users should perform their own analysis and conduct appropriate due diligence. The ACRSL ratings do not comment on the probability of default in repayment of loan, redemption of bond, enforcement of securities and collaterals, adequacy of market price, the suitability of any security for a particular investor or corporate personality, or the tax-exempt nature or taxability of payments made in respect of an entity or corporate personality or financial instrument or bank loan or any financial facility or a project finance or any security or otherwise; and does not assess or indicate the likelihood of changes in the market price or value of rated instruments and financial facilities due to market-related factors, such as changes in interest rates or liquidity or otherwise; nor is it an opinion of the liquidity in the market of the user's securities and creditworthiness. ACRSL does not act as a fiduciary or an investment advisor except where registered as such. ACRSL is not engaged in the offer or sale of any security or otherwise any financial facility. ACRSL does not provide investment advice of any sort. ACRSL does not take any responsibility of securing due and proper compliance with any contractual, regulatory, statutory obligations of The Premier Bank PLC. client including repayment of loan and other credit facilities granted or to be granted by The Premier Bank PLC. to its clients. ACRSL shall not be responsible for any default or misrepresentation by the clients of under any circumstances.

ACRSL, ITS AFFILIATES, AND ANY THIRD PARTY PROVIDERS, AS WELL AS THEIR DIRECTORS, OFFICERS, SHAREHOLDERS, EMPLOYEES OR AGENTS DO NOT GUARANTEE THE ACCURACY, COMPLETENESS, AUTHENTICITY, TIMELINESS, AVAILABILITY, MERCHANTABILITY OR FITNESS FOR ANY PURPOSE OF THE RATING INFORMATION OR OPINION GIVEN OR MADE BY ACRSL IN ANY FORM OR MANNER WHATSOEVER. ACRSL is not responsible for any errors or omissions, regardless of the cause, for the results obtained from the use of the rating report, or for the security or maintenance of any data provided by the user. When assigned this rating indicates the obligor has exceptionally strong capacity to meet its financial obligations and it is highly unlikely that this capacity will be impacted adversely by foreseeable events.                                                                                                                                       |
| <b>AA+, AA, AA-</b><br>Double A<br>(High Safety)        | Investment grade. Very high credit quality and minimal expectation of credit risk. When assigned this rating indicates the obligor has very strong capacity to meet its financial obligations and is unlikely to be impacted adversely by foreseeable events.                                                                                                                                                                             |
| <b>A+, A, A-</b><br>Single A<br>(Adequate Safety)       | Investment grade. High credit quality and low expectation of credit risk. When assigned this rating indicates the obligor has strong capacity to meet its financial obligations but may be vulnerable to adverse economic conditions compared to obligors with higher credit ratings.                                                                                                                                                     |
| <b>BBB+, BBB, BBB-</b><br>Triple B<br>(Moderate Safety) | Investment grade. Good credit quality and moderate expectation of credit risk. When assigned this rating indicates the obligor has adequate capacity to meet its financial obligations but this capacity remains more vulnerable to adverse economic conditions.                                                                                                                                                                          |
| <b>BB+, BB, BB-</b><br>Double B<br>(Inadequate Safety)  | Speculative grade. Substantial credit risk. When assigned this rating indicates the obligor has business or other alternatives to meet current financial obligations but is substantially vulnerable to adverse economic conditions that may impair ability to meet such obligations in the future.                                                                                                                                       |
| <b>B+, B, B-</b><br>Single B<br>(Risky)                 | Highly Speculative grade. High credit risk. When assigned this rating indicates the obligor has business or other alternatives to currently meet its financial obligations but the degree of certainty regarding timely payment of financial obligations is doubtful unless circumstances improve and remain favorable.                                                                                                                   |
| <b>CC+, CC, CC-</b><br>Double C<br>(Vulnerable)         | Highly Vulnerable grade. Very High credit risk. When assigned this rating indicates the obligor is near to default and the degree of certainty regarding timely payment of financial obligations is doubtful unless circumstances improve. This rating may indicate that an insolvency petition has been filed or similar action has been taken, but payments on the obligation are being continued with high degree of external support. |
| <b>C+, C, C-</b><br>Single C<br>(Near to Default)       | Default Imminent. This category for an institution is considered to be either currently in default or expected to be in default with high probability. The obligor with this rating is unlikely to meet maturing financial obligations.                                                                                                                                                                                                   |
| <b>D</b><br>Single D<br>(Default)                       | In Default. This category for an institution is of the lowest credit quality. The rating indicates the obligor has already failed to meet its financial obligations and may have entered bankruptcy proceedings.                                                                                                                                                                                                                          |
